Re Madrid letter 5-10-62 and Miami letter
to the Bureau 6-7-62.

As stated in Madrid letter of 5-10-62,
pertinent information regarding subject was furnished
(the local station of CIA.) (S)(u)

Reference Miami letter to the Bureau reflects
that subject proceeded to Mexico prior to the time
Russian official MIKOYAN arrived in Mexico from Cuba
and was in contact with (JACK STEWART) who Miami informant
stated was reported to work for the U. S. Embassy in
Mexico City. It is the recollection of Legat, Madrid,
(S) that (JACK STEWART) was an agent of CIA assigned to the
American Embassy in Mexico and handled (Cubans.) (S)(u)

It would appear (that CIA) is completely aware
of subject's activities and possible intentions to defect.

In view of the above, no further action appears
necessary by the Madrid Office, and this matter is con-
sidered RUC.

PLANS TO ASSASSINATE CUBAN LEADERS

On June 2, 1965, Victor Domindador Espinosa Hernandez, a Cuban refugee, was interviewed at the New York City Office of the Federal Bureau of Investigation. Espinosa advised as follows:

On May 29, 1965, he returned to New York City after spending twenty-six days in Paris, France, where he was in contact with individuals involved in a plot to assassinate Fidel Castro and other Cuban Government leaders. The main figure in this plot is Rolando Cubela, a close friend of Espinosa and an intimate friend and current neighbor of Fidel Castro. Cubela is identical with former Major Rolando L. Cubela y Secades, who has resigned from the armed forces of Cuba and is now practicing medicine in Havana. Alberto Blanco, an employee of the Cuban Foreign Ministry, and Major Juan Almeida Bosque are the other leading figures in this plot.

He conferred in Paris for about ten days with Alberto Blanco who was then on an inspection tour of Cuban Embassies and Consulates abroad. He learned that the plot is directed toward the assassination of Fidel Castro, his brother Raul Castro, Ernesto "Che" Guevara, a Cabinet member in the present Cuban Government, and Ramiro Valdes, the Chief of the Cuban Intelligence Service. The assassination of these individuals is to take place in public, possibly on July 26, 1965, when all the Cuban leaders would be together at the annual July 26th celebration in Havana. After the assassination, those involved in the plot hope to seize the radio station and call for American help. Cubela and others associated with him in this plot desire to know whether or not the United States would help if the plot was successful and if
